Safety Recall Campaign – Fuel Pressure Sensor - 1523A

Models: IS250 GSE20

Published: 24 May 2021 – Operation Code: 1523A

BACKGROUND

Investigations by Lexus have determined that a requirement exists for the initiation of a Safety Recall Campaign to be conducted in accordance with FCAI Code of Practice for Safety related recalls affecting a range of Lexus IS250 model vehicles.

DESCRIPTION OF PROBLEM

On certain IS250 vehicles, the fuel pressure sensor is insufficiently tightened to the delivery pipe and over time there is the possibility that the fuel pressure sensor may loosen, which could cause a slow leak to occur.

INVOLVED VEHICLES

A total of 4,844 Lexus vehicles produced within the VIN range and production period tabled below are involved in Australia.

MODEL RANGE

Vehicle Model	Model Code	VIN Range			Number of Units	Production Period
		WMI	VDS	VIS		
IS250	GSE20	JTH	BK262#	02060424 - 02093965 05052880 - 05097364	4,844	31st August, 2007 Through to 25th February, 2009

Note: 1. Although the involved vehicles are within the above VIN ranges, not all vehicles in these ranges were sold in Australia.
2. # = Check digit (alpha or numeric).

TIMING / OWNER NOTIFICATION

Lexus customers were advised by recall Campaign letter on or about 10th February, 2011.

A press advertisement was placed in National, Regional and Ethnic newspapers on or about 24th February, 2011.

RE: Recall notice on your IS250

Dear <owner name>,

Please be advised that a safety recall has been announced relating to the fuel pressure sensor fitted to your IS 250 vehicle. Below is an explanation of the condition.

The fuel pressure sensor is insufficiently tightened to the fuel delivery pipe and over time there is a possibility that the fuel pressure sensor may loosen, which could cause a slow fuel leak to occur.

We confirm that your vehicle requires to be presented to your Lexus Dealer for the fuel pressure sensor to be inspected and, if necessary, replacement of the fuel pressure sensor gasket. We kindly request that you contact your Lexus Dealer to make an appointment for this inspection to be carried out.

Please be aware that there may be delays in scheduling an appointment for your vehicle, however rest assured, we will do everything we can to book you in and complete the rectification in the shortest possible time.

Naturally, this rectification is free of charge and will take approximately three hours to complete. Depending on your Dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time. During this time, they will assist with alternative transport to ensure minimal inconvenience to you.

If you no longer own this vehicle, please complete the attached change of ownership form and return it using the postage paid envelope enclosed.

Should you have any queries relating to this recall, please contact the Lexus Customer Assistance Centre on

1800 023 009 from 8am-6pm Monday to Friday.

We sincerely regret any inconvenience that this notification may cause you however as a valued Lexus owner, your safety is of foremost importance to us.

Yours faithfully,

Lexus Australia
